---

Welcome to the online CWE Seminar! The first thing you should do as a student in this class is email me at [jodis@clackamas.edu](mailto:jodis@clackamas.edu). I will respond to your email with class instructions. Please send this email within the first week of registering for the CWE (Cooperative Work Experience) Seminar.

The course will be available in Moodle on the first day of the term. You can log into the seminar from your MyClackamas account . In MyClackamas, just click on the Moodle tab and then click on the course name/number (CWE On-line Seminar, CWE 281-06).

Once enrolled in the CWE Seminar, you may begin work by reading and following the class instructions. There are links in the middle of the screen that will help you move around in the class. Take a look at the introductory information and then click on the word “Projects” for some start-up instructions. Next, click on the word “Discussions” to discuss CWE and work related issues with your classmates.

If you run into any problems or have questions, don't hesitate to email me at [jodis@clackamas.edu](mailto:jodis@clackamas.edu) or call me at 503-594-3857. You can also refer to the CCC Distance Learning website at <http://depts.clackamas.edu/dl/>. Here you will find general information about distance learning and a resource for answering questions. It also includes tips and how to notes that should be useful. If the resources provided here don't answer your questions, stop by McLoughlin Room 134 and talk to [Ann Boisselle](#). You can also contact Ann by email at [annb@clackamas.edu](mailto:annb@clackamas.edu) or call her at 503-594-6310.
