When it is not obvious what service an animal provides, only limited inquiries are allowed.

Staff may ask two questions:

(1) is the dog a service animal required because of a disability, and

(2) what work or task has the dog been trained to perform.

Staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

Please contact the DRC:

- If the service animal is disturbing class or shown to be unsafe.**
- If you have concerns about having a service animal in your classroom.**
- If an emergency happens please call campus safety 503-594-6650 and 911**
