Verification Policy

Verification is a process that compares the information you reported on your FAFSA to federal income tax and other information to verify that your FAFSA information is correct. FAFSA applications may be selected for verification by the US Department of Education or by Clackamas Community College.

If you are selected for verification, Clackamas Community College will request documentation from you necessary to complete the verification. Verification must be completed before a financial aid package can be created for you.

To be eligible for most types of financial aid, verification must be completed before the end of the term for which you are applying for financial aid so the financial aid offer can be created, accepted and loans originated with the US Department of Education. However, if you are eligible for the Federal Pell Grant, the deadline for completing verification for the Federal Pell Grant only is 120 days after the end of the term for which you are applying for financial aid. There is a final deadline for Pell grant payments in September, 2018 that has not been published by the US Department of Education at the time of this publication. Contact the Financial Aid Office if you need this final deadline. Failure to submit all verification materials by these deadlines will result in no financial aid being awarded to you and you will be responsible for any balance incurred at CCC.

To ensure timely disbursement of your financial aid, we recommend that you submit all documentation to us as early as possible, but no later than the following dates:

Term	Recommended Deadline	Term	Recommended Deadline
Summer Term 2017	April 3, 2017	Winter Term 2018	September 25, 2017
Fall Term 2017	June 26, 2017	Spring Term 2018	January 8, 2018

Once the Financial Aid Office has all necessary documents to complete verification, we will make correct any estimated or erroneous information on the FAFSA electronically on your behalf. You will receive notice from the FAFSA process that a change has been made. If verification results in a change to any existing financial aid, CCC will notify you of the change via email to your official CCC student email account.

The CCC Financial Aid Office is required to report to the US Department of Education Office of Inspector General any suspicions of fraud, misrepresentation or altered documentation used by a student or parent in an effort to fraudulently obtain federal funds. Additionally, students may be referred to the CCC student conduct system for consideration of any alleged fraud, misrepresentation or altered documentation.

If you have unique tax situations such as having a current extension to file your 2015 taxes, you filed an amended 2015 tax return, you are a victim of IRS tax-related identify theft that impacted your 2015 taxes or you file a tax return in a country other than the US, please contact our office at finaid@clackamas.edu for additional guidance.
