

2011-2012 Medical Assistant Program Fall Cohort

Thank you for your interest in the Clackamas Community College Medical Assistant Program. We are pleased that you are exploring medical assisting as a profession.

The Clackamas Community College Medical Assistant Program offers a broad-based curriculum consisting of three terms of full time study. The medical assisting profession is a demanding discipline and the course of study is challenging as well as rewarding. We urge you to recognize the commitment that is essential if one is to be successful in this program.

Begin your application process as early as possible so that you have ample time to complete the packet. Please review the contents of this application packet thoroughly prior to submitting your application and supporting documents. If you have questions regarding the Medical Assistant Program contact the Clackamas Community College Allied Health Department at 503-594-0690. If you have specific questions about the application process contact our Admissions Specialist at 503-594-3379.

Medical assistant students must meet statutory mandates for healthcare providers. Anyone with a criminal record may not be allowed in a healthcare facility as a student. The aim of this legislation is to prevent abuse situations with vulnerable adults and children. All students in the Allied Health Department are required to have a criminal history background check and drug test.

Individuals who have been found guilty of a felony or pleaded guilty to a felony may not be eligible to take the Certified Medical Assistant (CMA) exam. Direct questions to: AAMA Certification Department 20 N. Wacker Dr., Ste. 1575 Chicago, IL 60606, certification@aama.ntl.org, or phone 608-228-2262. For the Registered Medical Assistant exam (RMA), direct questions to www.amt1.com or phone 800-275-1268.

CCC Admission Policy Statement

Clackamas Community College supports an open door policy and welcomes all students who can benefit from the instruction offered, regardless of their educational background. Prospective students are eligible for admission if they are a high school graduate, have a GED, or are over 18 years of age. Admission to the College does not guarantee entrance to all programs. Students seeking to enter a special admit program must meet additional admission criteria.

Students under the age of 18 that have not yet graduated from high school or obtained their GED are not admitted but are allowed to enroll in selected courses under ORS 339.030. Specific enrollment permissions may be required.

Program

The Medical Assistant Program at Clackamas Community College is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Medical Assistant Educational Review Board, MAERN (CAAHEP), 35 East Wacker Drive, Chicago, IL 60601, 312-553-9355. The program is designed to prepare students for entry level positions in the ambulatory care setting. The goal of the Clackamas Community College Medical Assistant Program is to graduate students that have demonstrated competencies in administrative and clinical practices as well as demonstrated work ethics and professional values consistent with that of the Medical Assistant Educational Review Board.

The program consists of three terms of full-time study. Students are involved in an administrative and clinical practicum in the ambulatory care setting in the community. Students are placed in a variety of settings which may include family practice, immediate care, internal medicine, obstetrics and gynecology, orthopedics, pulmonology, urology, and dermatology.

Certification

Upon successful program completion, certification is through the AAMA or AMT. For more information please visit www.aama-ntl.org or American Medical Technologists at www.amt1.com.

letters of recommendation, official transcripts from previously attended colleges, and application fee to the CCC Registrar's Office located in Roger Rook Hall at the Oregon City campus by the deadline of June 30, 2011. **Only completed application packets will be processed.**

- Admissions personnel will evaluate each application and supporting documents for eligibility criteria.
- Eligibility for admission to the Medical Assistant Program will be based on meeting the stated criteria. Spaces are limited, therefore, eligibility does not guarantee admission to the program. **Applicants will be notified of admission decision within 30 days of the filing deadline.** Any application submitted after the deadline will be considered on a space-available basis at the discretion of both the Allied Health Department and the Registrar's Office.
- The Allied Health Department reserves the right to establish an alternate list. Students on the alternate list will be notified if space becomes available.
- WR-101 or WR-121 and SP-100, SP-218, or SP-111 must be completed prior to submitting application packet.
- Admission criteria are subject to change from year to year. It is the responsibility of the student to be informed. Please refer to the current CCC academic catalog for program requirements and changes.

Submitting an application does not guarantee that applicants have satisfied minimum criteria.

Upon Acceptance

- Prior to beginning classes in the fall you must submit to the Allied Health Department the Health History form provided by CCC to be completed by an MD, DO, ANP/FNP or PA *and* show evidence of:
 - A physical examination within the last year
 - Immunity to measles, mumps, rubella, varicella, tetanus, diphtheria, and pertussis
 - Tuberculin skin testing or chest x-ray by current injection or positive titer results
 - Begin series of hepatitis B vaccinations or submit proof of completed series if within 7 years. Current titer results are required if HBV series was completed 7 or more years previous.
- Attend a mandatory orientation for medical assistant students on Tuesday, June 28, 2011.
- Prior to beginning the program, all students must provide the Registrar's Office and the program director with proof of CPR certification and First Aid certification. **Only American Heart Association Healthcare Provider CPR certification and American Red Cross First Aid certification will be accepted.** These certifications must remain current throughout the program. More information will be provided at orientation.
- All students in the Medical Assistant Program are expected to achieve a "C" grade or better in all required courses each term prior to moving on to the next term. Core curriculum is sequential and may not be taken out of order with the exception of MA-110 which may be taken before beginning the program. Core curriculum is intended to be completed in one academic year.
- Read and sign an Individual Professional Standards Acknowledgment form provided in Medical Assistant Handbook.
- Students will be required to provide the Allied Health Department with a criminal history background check. Fingerprint forms may be obtained through your local law enforcement office. Students who do not pass the Criminal History Check (CHC) may not be eligible to complete training at affiliated practicum sites, to sit for licensure or certification exams or be hired for some professional positions. If you believe that your past history may interfere with your ability to complete the program of study or to obtaining licensure or certification in your chosen field, you should contact the appropriate state board or program director. Information will be distributed at orientation.
- All students in the Allied Health Department will submit a drug test prior to the start of their clinical practicum at their expense. Students will be notified when and where to have this test completed.
