Clackamas Community College wrestler Tyrell Fortune, who earned a National Junior College Athletic Association national title last season, competed for Team USA at the Greco Roman and Freestyle Fila World Junior Championships in Ankara, Turkey, in August.

Fortune lost his two Greco matches to silver and bronze medalists in that category, but bounced back to go 2-1 in freestyle and finish seventh overall.

He was the only junior college participant on the Team USA roster and was also the only member to compete on both world teams.
