

LITERARY DAY

EN PHOTO BY EVAN JENSEN

Estacada Junior High School students from Mrs. Escobar's class paint the mural designed by Clackamas Community College drawing and painting instructor Dave Anderson. The mural, "Comedies, Histories and Tragedies," depicts the characters and writers of past and presents literary classics. From left: Caleb Boeck, KayLee Jenkins, Jacie Settle, Nick Groff and Nick Bandinelli. Many other students from EJHS helped paint the mural last week, and Anderson has helped the students paint a mural every year for the last five years.
