---

**ALBANY – Clackamas Community College’s top-ranked men’s basketball team stretched its win string to 14 on Saturday, defeating Linn-Benton 94-83 on the road.**

With the win the Cougars (21-2, 9-0) remained all alone in first place in the NWAACC Southern Division.

The Cougars entered the contest averaging over 100 points an outing and the Roadrunners attempted to stick with the Cougars by slowing the pace. But Clackamas surged to an early double digit lead and never relinquished it.

Sophomore guard J.C. Cook (Canby) headed the winning effort, scoring 25 points on 9-of-12 shooting. Cook also had six assists, five rebounds and four steals.

The Cougars return home tonight at 7:30, when they play host to Chemeketa.
