

OREGON TRANSFER MODULE REQUEST

The Oregon Transfer Module (OTM) represents the first year of a bachelor's degree, or approximately half an associate's degree (45 credits). The OTM is designed for students who wish to transfer to an Oregon University System school or another Oregon community college. **The OTM is not a certificate or degree, but is documentation that students have met a subset of common general education requirements.**

NOTE: We encourage all students requesting the OTM to meet with an Academic Advisor or to complete an Academic Evaluation online with CougarTrax for a review of module requirements prior to submitting an Oregon Transfer Module Request.

If you have determined that you are eligible to request the OTM, then complete the following and return to the Enrollment Services Center.
