

FREE Online Tutoring

Through smarthinking

 smarthinking

Online tutoring:

Available through
Smarthinking.

www.clackamas.edu/smarthinking/

Steps to Accessing Your Smarthinking Account through Moodle:

1. Go to online.clackamas.edu and login.
2. Click on the Smarthinking icon on the top right-hand side of your Moodle homepage.
3. Smarthinking will open in a new tab (be sure popup blockers are disabled).
4. You can chat with a live tutor, schedule a time to chat with a live tutor, or send a tutor an academic question for a later response.
5. Students have up to 7 hours each term and can check their remaining time by clicking their name on the top right.
6. Questions? Email tutoring@clackamas.edu, call 503-594-6191, or visit us in the Dye Learning Center.

**FREE 24/7 online
tutoring for CCC
students in:**

**Accounting, Economics, Intro
to Human Anatomy,
Physiology, and more!**

Smarthinking is offered to current Clackamas Community College students as a supplementary tutoring resource for subjects not currently offered in the Dye Learning Center or during hours campus is closed. Students can access up to 7 hours of free Smarthinking tutoring per term with easy access through their Moodle Login.
