- Over the past five years (2018-2022), CCC offered **184 customized training sections**, enrolling 1,019 students with an average annual participation of 231.
- In 2022, the Small Business Development Center served **437 clients** from Clackamas County and veterans in the Portland metropolitan area, with 51 training events and 596 attendees.
- SBDC provided **1,732 free hours of business counseling** and assisted with **44 business startups** and **\$4,144,770 capital infusion**, with **124 jobs created.**

A Board of Education governs Clackamas Community College and has an elected representative for each of the seven zones that make up the college district. Dr. Tim Cook serves as college president.

CCC has three campuses: Oregon City, Milwaukie and Wilsonville. We provide community education classes at many locations across our service district. At CCC, we empower individuals and strengthen communities. **Our mission is to cultivate equitable, innovative and responsible education.**

I represent Zone 6, which serves Redland, Estacada, Colton and Molalla areas.

My name is Jane Reid, Board Member at Clackamas Community College, and I welcome your feedback.

ABOUT OUR CAMPUSES

Clackamas Community College is committed to empowering individuals and strengthening communities. Our mission as a community college is to cultivate equitable, innovative and responsive education.

In addition to transfer degree programs that pave the way for easy transitions to four-year public universities, CCC offers certificates and degrees in more than 100 career and technical programs; essential skills classes to prepare students for college; and diverse special events, enrichment programs and continuing education opportunities.

Student profile for 2022-23

- **Student headcount:** 19,857
- **Total full-time equivalence:** 4,839.7
- **Course offerings:** associate degrees, certificates, college transfer degrees, career technical education, literacy/basic skills, community education, business training, job training, distance learning and partnerships for four-year degree completion programs.
- **Total degree and certificates completed:** 1,096

Tuition comparison

Starting a four-year degree at Clackamas Community College can save students thousands of dollars on their cost of education.

2023-24 average cost of tuition and fees comparisons:

- Average Oregon **four-year private university** tuition and fees \$42,100
- Average Oregon **four-year public university** tuition and fees \$13,760
- **Clackamas Community College** tuition and fees \$6,210

Annual tuition and fees at CCC and Oregon four-year public and private universities is based on figures provided to the Oregon Office of Student Access and Completion by the institutions. OSAC NOTE: These "standard" undergraduate student budgets are for informational purposes only. They are based on full-time enrollment at 15 credit-hours/term and do not include insurance, loan fees, non-mandatory fees, or special program-specific fees. Actual budgets will vary from these "standard" budgets, depending upon program of study, course load, dependency status, and housing situations. (For certain programs, course loads may be restricted to less than 15 credit-hours per term.)

Student access for 2022-23

- **Tuition** was \$117 per credit for in-state students.
- **Financial Aid:** The total federal and state aid students received was \$8,878,419.
- **Scholarships:** The total in scholarships and waivers students was \$1,973,711.
- The **CCC Foundation provided \$1,025,666** in scholarships to students, funded through private donations, in 2022. **The average award per student was \$2,275. One in three applicants (37%) were awarded a scholarship.**

Veterans services

- An all-Inclusive Veterans Education and Training (VET) Center
- Dedicated VET Center Staff / full-time veteran advocates
- Veteran-specific counseling, advising, and disability services
- Military Families Scholarship Endowment
- Veterans emergency need-based grants, textbook exchange
- Veteran-friendly military transcript & training evaluation for CCC credit
- Student Veterans Club focused on service and peer support
- Knowledgeable assistance with all College, community, and VA resources

Economic impact

- In 2021-22, CCC added **\$314.7 million** in income to the county's economy, a value equal to ~1.2% of the county's total gross regional product. Expressed in terms of jobs, CCC's impact supported 3,962 jobs. For perspective, the activities of CCC and its students support **one out of every 63 jobs in Clackamas County.**
- In return for their investment, students receive a cumulative value of \$169.3 million in increased earnings over their working lives. This translates to a return of **\$4.20 in higher future earnings** for every dollar students invest in their education.
