PHYSICAL EXAMINATION FOR SPORTS PARTICIPATION

To be completed by Licensed Medical Provider

To the Medical Provider: Please obtain and review the student's health history, pages one through four of this form, before conducting the examination. The intent of this exam is to focus on conditions of the athlete that may endanger his/her health, aggravate pre-existing conditions or increase the risk of death from participation in competitive college sports. If your findings or observations during this exam for sports participation indicate a need for a more comprehensive medical examination, you have the option of conducting a more comprehensive exam or advising the athletic director of the college in writing of the need for same. We appreciate your assistance and cooperation in maintaining the health of our student-athletes.
