

Transform your Leaders to Transform your Business

Your leaders are the most critical component in your company's ability to execute its strategy. You need leadership capability today and for the future to ensure a steady supply of dynamic, skilled leaders.

What if you could develop exceptional leaders and also achieve consistent, long-term behavior change that supports your business strategy?

Our leadership development programs will enhance the performance of your leaders. This will have a lasting impact on your customers, your employees, and ultimately transform your business.

Starting February 5, 2019

Leadership Essentials

Tuesdays – 8:00am-12:30pm

Cost: \$1995 (58.5 hours) 5.8 CEU's awarded

Course consists of 13 sessions. Students will receive a State of Oregon Non-credit Training Certificate upon completion of the course.

Students meet with a workplace mentor, provided by the employer, where they will review their learning and workplace application exercises. A capstone project will be done by each student in partnership with their mentor and the instructor.
