

BRIDGE PROGRAM

Clackamas Community College (CCC)
helps students move quickly through
courses in math and writing.

The BRIDGE PROGRAM supports
students in earning six
college credits in
seven weeks,
FREE!

Classes run Feb. 5 – March 21
Tuesday – Thursday, from 1 p.m - 4:20 p.m.,
on the Oregon City Campus of CCC.

Bridge Program Classes:

- Math 065 Algebra II
- MTH 095 Algebra III
- WRD 098 Introductory Reading & Writing 2
- FYE 101 First Year Experience

*Students must sign-up for a math (MTH-065 or MTH-095)
or writing (WRD-098) class and take a First Year Experience
(FYE) class.*

Sign up by December 7 online at
www.clackamas.edu/regional-promise-grant

To participate students must:

- Live, work, or go to school in Clackamas County
- Have completed high school or earned a GED
- Place into Bridge Program courses
- Commit to attending the entire seven weeks of class

*A weighted lottery will be used to place students**

For more information, contact High School Connections 503-594-3161, hsconnections@clackamas.edu

*The weighted lottery will give priority to historically underserved students (students of color, students with low socio-economic status, students with disabilities) and recent high school/GED completers.
