

Summer Scholars Program

Save Time and Money

Students can take up to 12 college credits (full-time college load) tuition free* online in Summer term 2020

**Students responsible for all course fees and textbook costs.*

**Online courses to select from include:
Communications, Health, Math, Social Sciences, and Writing.
Visit the website for a list of online classes available to Summer Scholars students.**

-
- Students must live and go to school in Clackamas County and have completed 11th or 12th grade in spring 2020
 - Students must commit to participating in and completing online college classes during the entire eight-week summer term, June 22 – August 14
 - Students must meet virtually with an academic advisor prior to registration
 - Students must complete Summer Scholars Orientation in Moodle if accepted into the Summer Scholars program
-

Students must have a CCC account and complete placement prior to signing up online.

Sign-up deadline is May 1.
