Limited Entry Program

Only the first 10-20* Students will be admitted

- ✦ Must complete ALL requirements prior to entry.
- ✦ Make sure there are no holds on your CCC account.

*Dependent upon faculty availability.

Requirements

Oregon Health Authority Rules for Students in Clinical Training include the following:

- CNA1 License
- Criminal Background Check
- Drug Screen
- Proof of immunization status (vaccines records)
MMR, HepB, Tdap, Varicella, COVID
- TB test
Quantiferon gold or T-Spot or TB Skin Test
- BLS/CPR Certification*
***Must be:** American Heart Association BLS Provider Card or certificate of completion.

Requirements

- ✦ Must be at least 18 years old
- ✦ Note: Clinical sites (employers) now require the COVID vaccine
- ✦ If you are not planning on getting vaccinated, know that you may be barred from entering clinical sites, which in turn may hinder your completion of the course.

CPR Requirements

“What if I don’t have my BLS/CPR card, where can I go to obtain certification training?”

BLS/CPR training can be found:

- ✦ [AHA BLS Course Options](#)

✦ Note: The only accepted certification for CPR is through the American Heart Association (AHA).

Required Program Hours

- ✦ 60 hours of classroom/lab
- ✦ Mondays and Tuesdays for 6 weeks
- ✦ 30 hours of clinical – 3 days
