Certification Exam

Students who successfully complete the **CNA1 course** at CCC, are eligible to take the Oregon State Board of Nursing certification exam

✦ <https://www.oregon.gov/osbn/Pages/apply-CNA-CMA-exam.aspx>

Limited Entry Program

Only the first 10-20* Students will be admitted

- ✦ Must pass/complete ALL **academic** (pre-requisites) and **non-academic** requirements prior to entry
- ✦ Make sure there are no holds on your CCC account.

*Dependent upon faculty availability

Academic Pre-requisites

- Unofficial transcript with **WRD-098** (C or higher grade)
 - Math-050** or higher (C or higher grade) is strongly recommended

OR

- Placement** scores from testing center placing into **Writing-121**
 - Placement into Math-050** or higher (C or higher grade) is strongly recommended

Non-Academic Requirements

Oregon Health Authority Rules for Students in Clinical Training include the following:

- Criminal Background Check
- Drug Screen
- Proof of immunization status (vaccines records)
 - MMR, HepB, Tdap, Varicella, COVID
- TB test
 - Quantiferon gold or T-Spot or TB Skin Test
- BLS/CPR Certification*

***Must be:** American Heart Association BLS Provider Card or certificate of completion.

Non-Academic Requirements

- ✦ Must be at least 18 years old
- ✦ Note: Clinical sites (employers) now require the COVID vaccine
- ✦ If you are not planning on getting vaccinated, know that you may be barred from entering clinical sites, which in turn may hinder your completion of the course.

Non-Academic Requirements

“What if I don’t have my BLS/CPR card, where can I go to obtain certification training?”

BLS/CPR training can be found:

- ✦ [AHA BLS Course Options](#)

✦ Note: The only accepted certification for CPR is through the American Heart Association (AHA).

Personal Health & Course Safety

- ✦ **COVID-19 Guidelines:** Students/faculty must follow the college Return to Campus Guidelines and students/faculty must follow clinical facility guidelines to identify and to prevent infection from the virus.
- ✦ **Strength and Mobility:** Must not have physical limitations or be under the care of a physician or on Workman's Compensation due to musculoskeletal injury.
- ✦ **Endurance:** Sufficient to complete 8.5 hours of clinical with acceptable speed to care for 4 – 6 residents.

Required Program Hours
