

Attendance of a Mandatory Orientation through the Harmony Campus or via Zoom is required.

Prospective Certified Nursing Assistant II student,

In order to receive approval to register for our CNA II course, you **MUST** complete a number of mandatory course entry requirements in advance. Once you have completed these requirements, approval to register for the course will be given. Please complete the following mandatory course entry requirements:

- ❖ TB Skin Test (2 Step) or Chest X-Ray
 - Documentation of one of the following:
 - ❑ 2 step TB skin test or IGRA/QuantiFERON Gold blood test.
 - ✦ If the results are positive, a clear Chest X-Ray (with lab report) is required.
 - ✦ TB Skin Test should not expire before end of the course (valid for 1 year)
- ❖ Tetanus, Diphtheria, Pertussis
 - Documentation of TDaP or Td booster in past 10 years
 - ✦ Centers for Disease Control and Prevention (CDC) recommends every healthcare worker have a TDaP vaccination during lifetime.
 - ✦ If last tetanus booster is more than 10 years old, a repeat booster (TDaP or Td) is required.
- ❖ Varicella (Chicken Pox)
 - Documentation of proof of immunity in the form of one of the following:
 - ❑ History of 2 varicella vaccinations OR
 - ❑ Positive antibody titer (lab report required)- equivocal or negative titers requires revaccination OR
 - ❑ Medically documented history of disease (health care provider signed statement)
- ❖ Measles, Mumps & Rubella (MMR)
 - Documentation of proof of immunity:
 - ❑ History of 2 MMR vaccination OR
 - ❑ Positive antibody titers for all 3 components (lab reports required)- equivocal or negative titer requires repeating the series
- ❖ Hepatitis B
 - Documentation of one of the following:
 - ❑ 3 vaccinations or documentation of the 1st vaccine in series.
 - ❑ Positive antibody titer (lab report required)
 - ✦ If the series is in process new alerts will be created for you to complete the series.
 - ✦ If the titer is negative or equivocal, you must repeat the series.
- ❖ Influenza
 - Documentation of one of the following:
 - ❑ Vaccination for the current influenza year
 - ❑ Signed documentation of declination of immunization (masking required during flu season)
- ❖ CPR Certification
 - American Heart Association BLS Provider Course- ***NO other type acceptable***. Must be valid for the duration of the course.
 - ❑ Check out <https://heart.org> or <https://cprlifeline.com> for classes near you.
- ❖ Current CNA1 license with Expiration Date
 - Cannot expire during term of attendance.
 - Link to download verification can be found at <https://osbn.oregon.gov/OSBNVerification/Default.aspx>

All of the steps including a background check and urine drug screen must be completed before approval to register will be given. Information to obtain a 10-drug urine screen and background check will be provided during the mandatory orientation session. Please email healthsciences@clackamas.edu if you have any questions or concerns.
