

EXCEL AS A CAD PROGRAM

WHAT I LIKE ABOUT AUTOCAD

- Industry Standard
- Many libraries are available
- Will perform automatic dimensioning.
- Extremely powerful
- Can create PDFs

THE CURRENT COST OF AUTOCAD

- AutoCad LT \$1,200
- AutoCad Design Suite \$6,295
- Upgrade Fees \$380 - \$4,405

- AutoCad is offering a monthly subscription rate of
 - \$185/month
 - \$1470/year
- There are other CAD programs that start at \$74 and go up from there.

I WANT LIKE ABOUT EXCEL

- Available
- Isn't too expensive
- Easy to use
- Easy to learn
- Easy to share
- Easy to update

DANGER

**The following involves skill
development.**

**Skill development takes time and can
be frustrating.**

The logo for Clean Water Services features a stylized blue bird or wing graphic above the text.
