How to register for Backflow classes at Clackamas Community College

Go to:

<http://www.clackamas.edu/academics/departments-programs/water-and-environmental-technology-aas>

1. Scroll down and click "Oregon Backflow Training"

The screenshot shows the Clackamas Community College website navigation menu. The menu items are: Skills, Job Outlook, Career Pathways Roadmaps, Oregon Backflow Training, and Description and Outcomes. A red arrow points to the 'Oregon Backflow Training' link. The 'EXPAND ALL' link is visible in the top right corner of the menu.

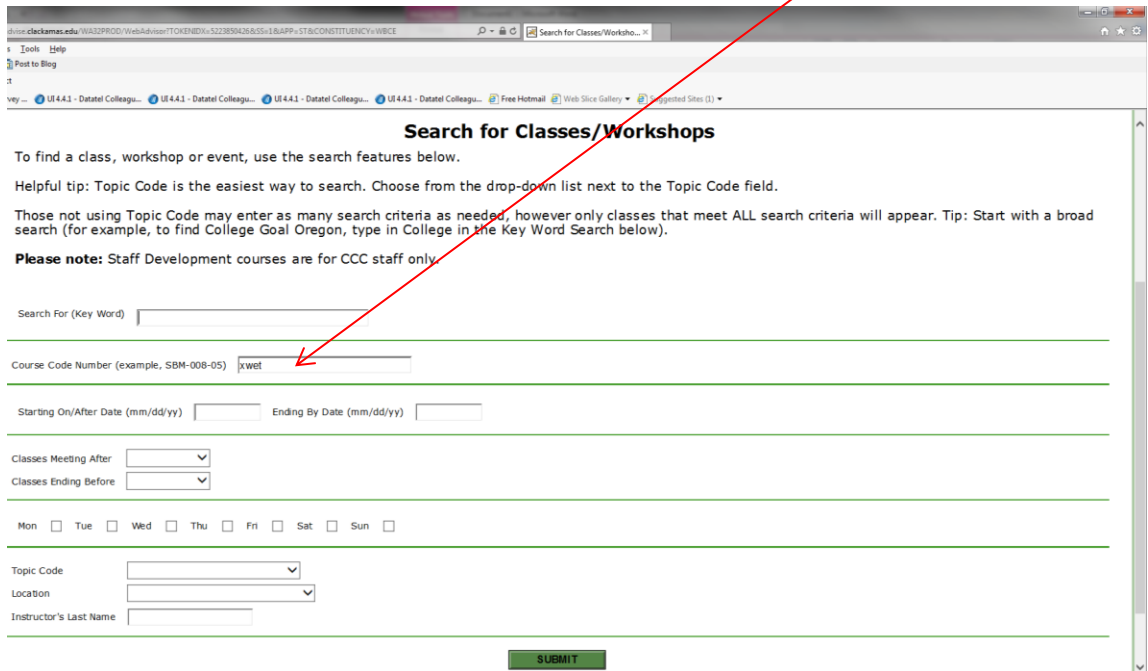

2. Next scroll down and click "Visit [this CougarTrax link](#)"

The screenshot shows the Clackamas Community College website content. The 'Backflow Assembly Tester' section describes five-day certification courses. The 'Cross Connection Control Specialist' section describes four-day certification courses. The 'Registering Online' section lists five steps for online registration, with a red arrow pointing to the 'this CougarTrax link' in step 1. The 'You may also register for any workshop by either:' section lists two options for registration.

- When you get to this screen click “Continuing Education”

- On next screen click link “[Search for Classes/Workshops](#)”
- In the Box Course Code Number (example, SBM-008—05) type **xwet**

- This will bring up a list of all backflow classes you can register for. Select the course you would like by clicking the box next to the course:

The screenshot shows the cougartrax website interface. At the top, there is a navigation bar with 'Log In', 'Main Menu', 'Cont. Ed. Menu', 'Help', and 'Contact Us'. Below this is a header for 'Continuing Education' with a 'Welcome Guest!' message. The main content area is titled 'Select Classes' and contains a table of available courses. A red arrow points to the 'Select' checkbox for the first course in the table.
