

- The fastest way to order transcripts is online at www.parchment.com. Through this website, you can select Clackamas Community College and order official transcripts to be sent via email or postal mail, as well as printed for pick-up at Registration & Records. Ordering an eTranscript is the preferred and fastest option. Official transcripts are offered free of charge regardless of which method you choose.
- Transcripts are generally ready for pick-up or sent within 3 business days of the date your request is received. Your transcript may be delayed if your request is incomplete or if you have a hold on your record due to unmet obligations to the college, such as an unpaid balance.
- Photo ID is required for pick-up of transcripts at Registration & Records. If you have authorized someone else to pick up your transcript for you, a letter stating this with your signature is required.
- You may access your unofficial transcript through the student portal at www.my.clackamas.edu or by emailing transcript@clackamas.edu. If you request an unofficial transcript via email, your full name, date of birth, and student ID number (or last four digits of SSN) are required.
