All about Phi Theta Kappa!

Why did you join PTK?

"I wanted to see what I was capable of as I was returning to college after dropping out for a couple years. I wanted to better my life in and outside of my education. I never got involved with school before, but I felt this was my time to be a part of something bigger than myself!"

What is something you feel everyone should know about being a PTK member?

"The programs, benefits, training and different learning opportunities are amazing! The opportunities are endless. Whether it's getting involved with your local chapter, regionally or internationally - you are going to find a place you belong and other people who will cheer you along the way."

Why did you decide to be a chapter officer?

"I wanted to get involved with how the chapter was partnering with the college. Giving back and helping other students like me has been very motivating. I felt I could contribute to the chapter to make my educational experience flourish. I wanted to be a part of the fun I saw them having too!"

Chapter Officer Goals:

“To teach members the benefits of investing into their capabilities by showing them ways to gain leadership skills while motivating to keep pushing themselves to higher levels. It is important to give back to ourselves, our college, and community.”

Life at CCC!

What is one thing that you love about attending classes at CCC?

“The faculty at CCC has been outstanding, to say the least. I have never worked for, gone to school for, or been a part of something that has cared so much about their students and faculty members. I can see the work they put into the educational experience for us as students, and they take time out of their own lives to make sure we succeed and grow.”

If you could improve upon one thing on campus, what would it be and why?

“I would love to see more outside seating, including covered areas! I know not everyone loves the rain, but if I could sit outside to read, eat or just enjoy the weather when it’s raining, I would!”

What are your plans after CCC?

“Transfer to PSU to obtain my bachelor’s in social work.”

Just for FUN!

Describe yourself using only three words: “Fun, happy, determined”

What is your favorite quote? “You grow through what you go through.”

If you could share your favorite binge worthy TV show, what would it be?

“Just one?! Ha! Supernatural. I’ve seen all 15 seasons at least twice.”
